

# Urgent and Emergency Care (UEC), Palliative Care, Frailty and End of Life (EoLC) Data in the Herts and West Essex (HWE) Shared Care Record (ShCR)

HWE ICS Digital Transformation Team  
May 2025

# Purpose of this Pack:

1. To confirm what relevant datasets are fed from Providers into the HWE Shared Care Record
2. To explain specifically where and how this relevant data is presented in the HWE Shared Care Record

**NB:**

## **Datasets in scope (based on demand and ICB priorities)**

- End of Life (EoL) and palliative care data sets including, Recommended Summary Plan for Emergency Care and Treatment (ReSPECT) and care planning
- Frailty data sets including [Rockwood Frailty Scale](#) scores
- Integrated Neighbourhood Team (INT) pathways and High-Risk cohorts
- Electronic Palliative Care Coordinating Systems (EPaCCS) data sets

***The datasets are referred to as (relevant) in this document***
