

Shared Care Record

Opening the HWE Shared Care Record:
Cerner Health Information Exchange (HIE)
in **Nervecentre**

1. Open the patient's clinical page in Nervecentre as usual.

2. Select '**CERNER HIE**' from the list of External Applications.

3. You will now see the patient's Shared Care Record in the HIE. NB: You do not need to ask the patient for individual consent to view the Shared Care Record if you are directly involved in their care.
